

< Important Notice >

Regarding change of usage system of the training areas at the central gymnasium

Regarding the Central Gymnasium Training areas, we will change the time zone of general use and the registration method as follows. Those who currently use the training areas, or those who wish to use the training areas from now will make sure to see the website (<https://www.sapcc.tsukuba.ac.jp/>), as the schedule of the workshop (scheduled for early July) and the latest information will be posted as soon as they are decided

<Students, faculty and staff already using the registration ID>

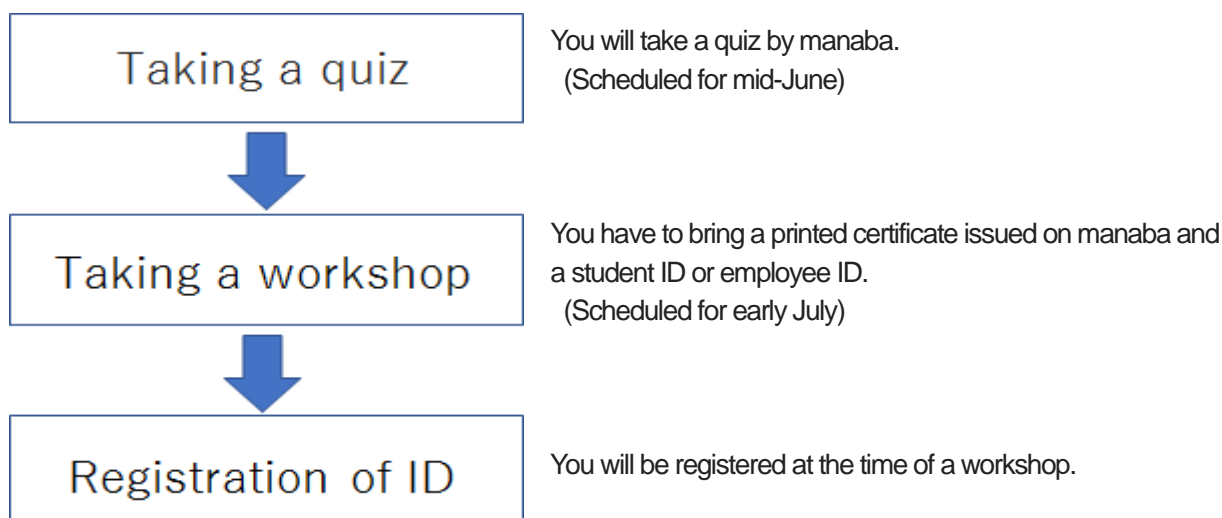

- [1] the Faculty of Health and Sport Sciences Staff / Athletic Club Associates
Available All day (6:00 - 21:00). However, the athletic clubs are responsible for the cleaning of the training area.
- [2] General users
 - 1) Available About twice a week. General open time (18:00 - 21:00, pending the day of the week)
 - 2) Procedure for re-registration

<New applicant or student / faculty staff who changed ID ※>

※: For example, those who enrolled graduate school from undergraduate program etc.

- 1) Open date and time: Same as the above general rule
- 2) Registration procedure
