○ About “Tsukuba Taiiku”

✓ Vision

Tsukuba Taiiku (Physical Education) aims to develop a “sound body, nurture a rich spirit, and increase mental strength” through various sports activities.

✓ Educational goals of Tsukuba Taiiku are as follows:

1. Teaching basic knowledge and the ability to think and practice in terms of health, strength, and sports techniques
2. Nurturing a rich spirit and sociability
3. Developing a strong mind and a sense of morality
4. Cultivating good interpretive skills and appreciation for sports
5. Fostering an ability to keep developing independently

○ Systematic curriculum of Tsukuba Taiiku

Produce students who can contribute to develop human society through various sports

○ Standard Academic Year

- 2 or 3 credits from PE classes are required for graduation. The required number of PE credits are determined by the program you belong to. Depending on your program, 1 or 2 credits from Basic PE and 1 or 2 credits from Applied PE are needed.
 - Returnee students are expected to take the Basic PE class that is offered for their program in Fall semester. In addition, take Wellness Sports class in order to complete a total of 1 credit by the end of the academic year.
- The following Table shows the number of credits you must earn to graduate, by programs. This also shows the recommended timeline to take certain classes.

*** **Wellness Sports is an intensive class, the details TBA** (see the P.E. Center website)

○ How to take the “Basic Physical Education”

In Fall 2022 semester, choose one kind of sports from the Basic PE (fall semester / 0.5 credit) and take an intensive course “Wellness Sport” (fall semester /0.5 credit). If you fail the Fall 2022 Basic PE Class, consult with a staff at Consulting Service Office at the Sport and PE Center. The staffs will help you determine how to arrange classes from the academic year 2022.

○ Physical Education in response to the COVID-19 pandemic.

Based on “Implementation Guidelines for 2022 Classes “ (2022.6.16, Vice President for Education), Physical Education center determined procedures for enrollment in the PE classes as follows:

<https://www.tsukuba.ac.jp/en/important-notice/pdf/202206161326-en.pdf>

The PE classes in Fall 2022 will generally take place in-person. However, if a student is in truly excusable circumstance, and if it is approved with a formal procedure, the student can continue attending online PE class. Follow the flow chart below, check or determine your PE course this fall.

【Students who are in truly excusable circumstances.】

Having an underlying health condition or Living in overseas and not able to come to Japan

Submit “Application for Consideration of Coursework for in-person Class on COVID-19” ⁽¹⁾ to your affiliated administrative office, and if approved, submit the paperwork to PE Consultation Office between

Sep. 1st and Sep. 22.

- If you are approved by PE Center, you can enroll in PE Online.
 - You must enroll in the course via TWINS.
-

○ How to choose a subject of the “Basic Physical Education”

Tsukuba Taiiku offers PE classes of a specific sport. Due to the capacity of each PE class, there is a procedure for determining which sport subject students will take. This procedure is called “subject selection”. Students will report their preference of sport subjects, and later be notified which sport they can enroll. After you received the notification of subject selection results, you CANNOT change the subject. If you have a special need and are not able to participate in some types of sport, you must consult with a staff at the Consulting Service Office at the Sport & PE Center in advance. We cannot help you change the subject once it is determined.
