## ○ How to take the “Basic Physical Education”

In Fall 2024 semester, choose one kind of sports from the Basic PE (fall semester / 0.5 credit) and take an intensive course “Wellness Sport” (fall semester /0.5 credit). If you fail the Fall 2024 Basic PE Class, consult with a staff at Consulting Service Office at the Sport and PE Center. The staffs will help you determine how to arrange classes from the academic year 2025.

## o How to choose a course of the “Basic Physical Education”

Tsukuba *Taiiku* offers PE classes of a specific sport. Due to the capacity of each PE class, there is a procedure for determining which sport course students will take. This procedure is called “course drawing”. Students will report their preference of sport courses, and later be notified which sport they can enroll. After you received the notification of course drawing results, **you CANNOT change the course**. If you have a special need and are not able to participate in some types of sport, you must consult with a staff at the Consulting Service Office at the Sport & PE Center prior to registering your course preferences. **We cannot help you change the course once it is determined.**
